

Trulite Glass & Aluminum Solutions Announces Super Sky President Retirement

Deerfield Beach, FL – May 21, 2014 – Trulite Glass & Aluminum Solutions announced the long-planned retirement of industry leader, Super Sky President, Jim Roesing after more than 47 years in the engineered commercial skylight business. Jim has served as President since 1987. Under his leadership Super Sky has had major projects on every continent. A few examples of the notable work include Santiago Calatrava Art Museum, Mall of America, Palaces in Brunei and Thailand, numerous Smithsonian installations, malls in Portugal and Korea, residences in Nigeria, hotels in China and schools in Brazil.

Trulite Glass & Aluminum Solutions CEO Paul Schmitz said, "We will miss Jim's first-rate leadership as well as his stewardship. Jim is a true entrepreneur in the finest sense, committed to serving and providing each customer he touched a remarkable experience."

On May 19, Brian Thomas will fill the President position at Super Sky. Jim and Brian will work closely to insure a smooth transition.

Brian Thomas was most recently Vice President of Operations at Madison Glass Company and has more than 15 years in the fabrication and construction business. He studied business at Northern Michigan University.

"Brian's strong track record of success in roles of increasing importance and responsibility make it clear that he is the ideal person to take the reins from Jim Roesing. His strong operational background and customer centric attitude will continue to grow Super Sky where Jim has left off", said Paul Schmitz CEO of Trulite Glass & Aluminum Solutions.

About Trulite Glass & Aluminum Solutions

Trulite Glass & Aluminum Solutions is one of North America's largest architectural glass and aluminum fabricators.
