BULLET RESISTANT GLAZING SOLUTIONS

Trulite
GLASS & ALUMINUM SOLUTIONS™
Building The Future

Safety and Strength You Can Trust

As a recognized industry leader in glass and lamination fabrication, Trulite Glass & Aluminum Solutions offers specialized bullet-resistant glazing solutions designed for commercial, institutional, and high-security applications.

Our Product Range

All-Glass Configurations
Crystal-clear aesthetics combined with robust protection.

Glass-Clad Polycarbonate Configurations
Maximum protection and resilience against impact and ballistic threats.

All products are meticulously engineered and rigorously tested to meet strict UL (Underwriters Laboratories) standards, ensuring superior protection and reliable performance.

Why Choose Trulite?

Quality Assurance
At Trulite, we prioritize high-quality standards, ensuring every glass product meets your expectations for durability and clarity.

Fast Turnaround
With our express service, get your quotes back in as little as 24-48 hours, minimizing downtime for your projects.

Customer Service
Benefit from the knowledge and expertise of our seasoned professionals, who are dedicated to providing exceptional service.

With approximately 40 locations across the United States, Trulite is strategically positioned to meet glass fabrication needs with reliable service, expert quality, and timely delivery. Call or email us today!

Level UL Rating	UL	Nominal Thickness	Nominal Weight	Ammunition	Grain	(g)	Min FPS	Velocity	No. of Shots	UL 752
