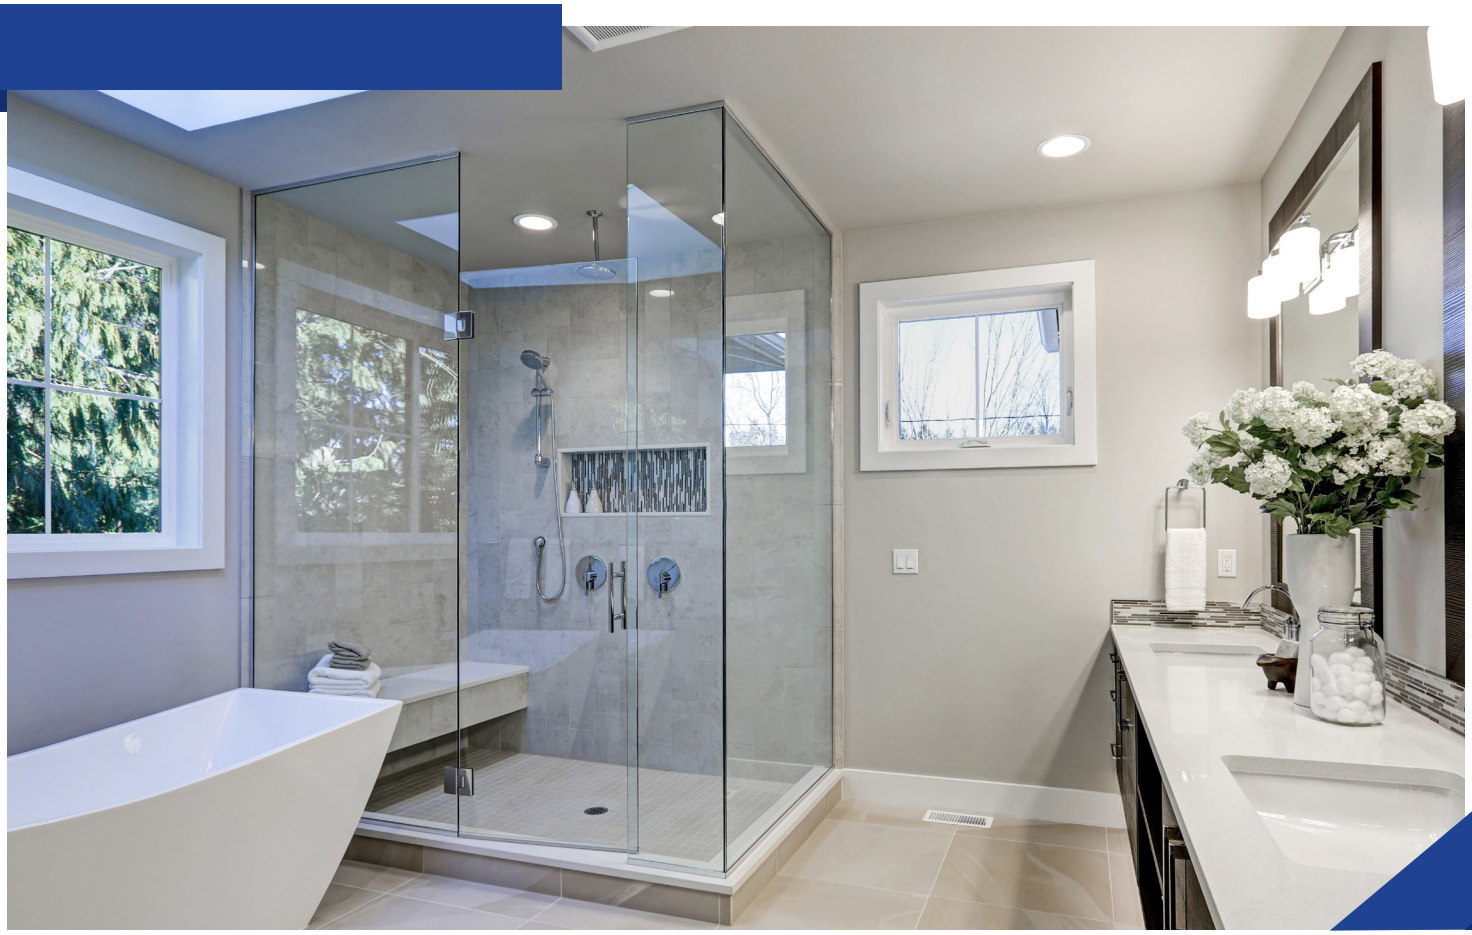
SHOWER ENCLOSURES

Trulite
GLASS & ALUMINUM SOLUTIONS™
Building The Future



Elevate Your Space

Upgrade your bathroom with Trulite Glass & Aluminum Solutions Shower Enclosures. Designed for elegance and functionality, our enclosures create a sleek, open feel while enhancing natural light and style.

Premium Service

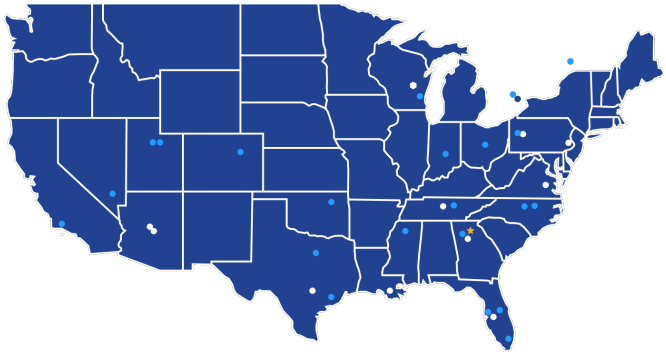
At Trulite, we do more than fabricate glass—we craft quality and precision into every piece. With expert attention to detail, we cut, shape, and refine glass to exact specifications, ensuring flawless installation and a perfect fit. Our commitment to efficiency means fast turnaround times without compromising craftsmanship, giving you a seamless and stress-free experience from start to finish.

Customizable Options

Tailor your shower with Trulite's customizable glass and hardware from any vendor. Choose from clear, frosted, or textured glass, paired with premium finishes like chrome, matte black, or brushed nickel—designed to compliment any space flawlessly.

Why Choose Us?

Choose Trulite for lightning-fast quotes and short fabrication lead times giving you a competitive edge to win more projects and stay on schedule. With our expert estimation team and top-tier customer service, we guarantee accuracy, efficiency, and a seamless experience from start to finish.



With approximately 40 locations across the United States and Canada, Trulite is strategically positioned to meet glass fabrication needs with reliable service, expert quality, and timely delivery. Call or email us today!

TruShowers

24/7 Online Ordering
Maximize efficiency with TruShowers, a free tool providing 24/7 access to Envision Glass Systems for swift shower design and on-site deal closure. Register quickly for instant catalog access to simplify client collaboration and fast-track approvals.

Stand Out From The Competition
Effortlessly generate professional, competitive estimates with TruShowers. Our all-in-one solution offers customizable, detailed proposals with 2D/3D designs for immediate client approval, helping you secure deals quickly and collaboratively on-site.

Customer Service
Our online order entry system streamlines customer choices and pricing with an easy-to-use configurator. Trulite offers a wide range of competitively priced hardware. Forget waiting and email clutter—our system promises smooth, uninterrupted project progress.

Trulite Pro Series: Shower Doors

A downloadable video series that provides expert tips to ensure maximized efficiency, reduce callbacks, and delivery of a perfect fit every time.

Free, Professional Training and Estimating
No cost, just valuable knowledge that can help you take your shower door installations to the next level. Available on LinkedIn and TruAccess (Vimeo), so you can watch on your schedule—whether in the shop, on-site, or between jobs.

Expert Tips
The series is built for professionals, offering real-world expertise from Trulite, a leader in glass and aluminum solutions.

Reduce Errors and Callbacks
Learn best practices that help minimize mistakes, ensuring a perfect fit the first time and reducing costly rework.

Build Trust With Homeowners
Gain insights into how to confidently communicate with homeowners, set clear expectations, and enhance the customer experience.

Fast. Efficient. Delivered On Time.

Shortest Lead Times
Our fast quotes beat the competition, giving you the edge to win more projects with confidence. Speed ensures timely materials, minimizes downtime, and gives you a competitive edge.

Valued Experience
An experienced estimation team delivers accurate quotes, optimized materials, and better bid success—keeping projects on budget and on schedule.

Customer Service
Exceptional customer service is the backbone of a successful shower enclosure experience, ensuring smooth collaboration from fabrication to installation. At Trulite, we understand that every step— from precise glass fabrication to final installation—depends on clear communication, reliability, and attention to detail.
